Re: *successfulmatch.com...*
GDG Reference No. 22-61252

Dear Mr. Smith:

Please consider this GoDaddy.com, LLC's official response to the Subpoena issued by the United States District Court for the Northern District of California. In response to that Subpoena, we are herewith producing approximately one thousand four hundred six (1406) pages of documents which have been Bates labeled as GD 000001 through GD 001406. These documents contain confidential, proprietary, trade secret, and/or private information that warrants special protection from public disclosure and from use for any purpose other than prosecuting or defending the action in which the subpoena is served. It is imperative that any documents designated "CONFIDENTIAL" receive confidential treatment. Confidential treatment includes: (1) limiting access to these documents to the parties in this litigation, their agents, and the court and its personnel; (2) taking the procedural steps necessary to file under seal any portion of any submission to the court that refers to or incorporates these documents; and (3) destroying all CONFIDENTIAL documents included in this production, including copies thereof, within 60 days after the final disposition of the action in which the subpoena is served. More information can be found in GoDaddy's Subpoena Policy/Attorney Tips, available on our Legal page. You should assume that if categories of documents called for in the subpoena are not included in the produced documents, GoDaddy.com has no responsive documents for such categories.

We have also enclosed an executed Certificate of Authenticity.

If this case involves a domain name dispute, please provide courtdisputes@godaddy.com with a file copy of the complaint so that they may place the domain name on registrar lock pending the outcome of the case.

Please remit your check in the amount of \$150.00 to cover the cost of production.
